

International Fire Losses

다음은 세계 각국의 방화협회(Fire Protection Association)에 의해 제공된 자료에 의한 화재통계이다. 이는 화재원인별 건수 및 손실인데, 각국가에 따라서 통계산출방법이 다르기 때문에 화재전체에 대한 비율이 아닐 수도 있다. 예를 들어 영국에서는 발화원으로 방화(Arson)를 산입시켰지만 덴마크와 캐나다를 제외시켰다. 이러한 이유들로 인해 각국가에 대한 직접적 비교는 바람직하지 못하다.

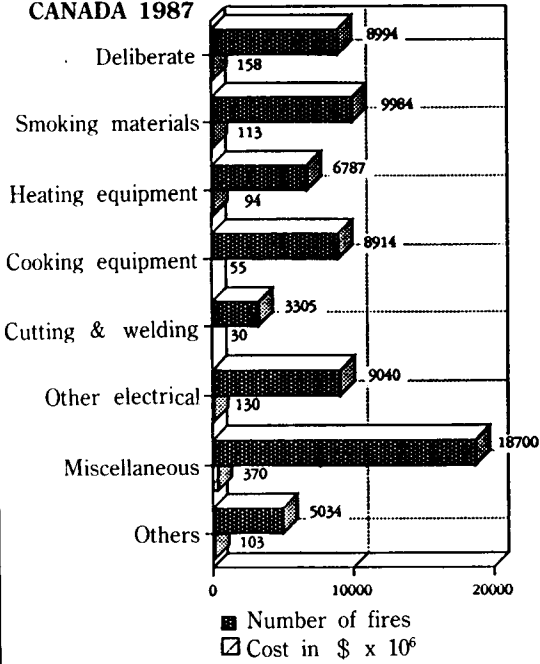

International fire statistics-Fires by source of ignition

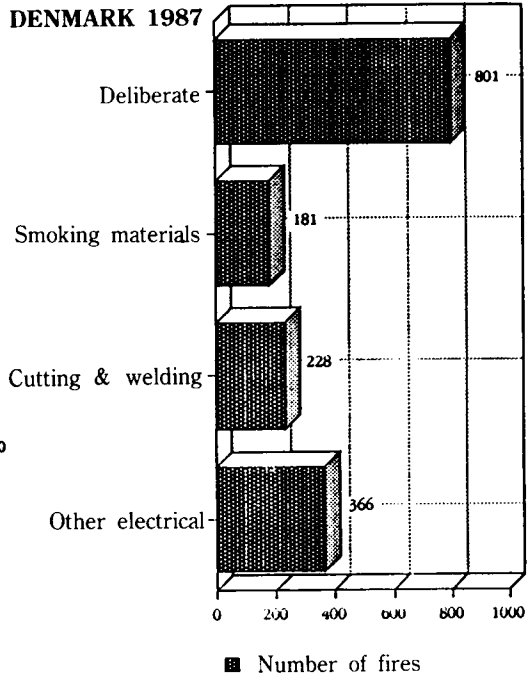

■ Number of fires
□ Cost in Austrian schillings x 10⁶

International fire statistics-Fires by source of ignition

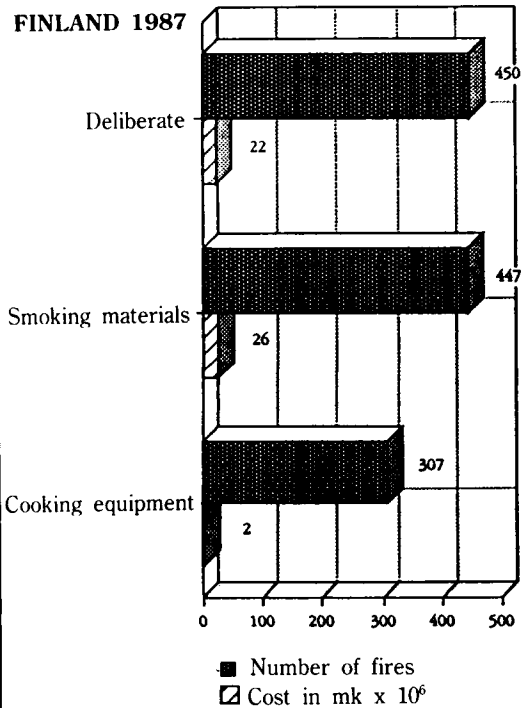

CANADA 1987

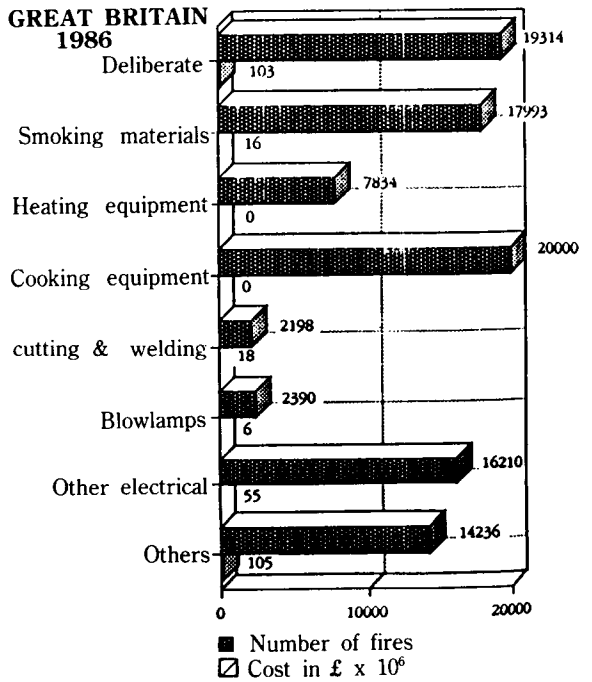

DENMARK 1987

FINLAND 1987
